

12The National Institutional Ranking Framework (NIRF) was approved by the MHRD and launched by Honourable Minister of Human Resource Development on 29th September 2015.

This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover “Teaching, Learning and Resources,” “Research and Professional Practices,” “Graduation Outcomes,” “Outreach and Inclusivity,” and “Perception”.

National Institutional Ranking Framework (NIRF) rankings are released annually by the Ministry of Human Resource Development (MHRD). Participating Educational Institutions are rated on certain key parameters like infrastructure, faculty, placements, academic performance, and others. This year, All India Institute of Medical Sciences (AIIMS), Delhi emerged as the top medical college in India as per NIRF rankings.
